Remaining characters will be introduced
along with the story.....

Now let’s begin the story.....

One fine day..... Sun rays are hitting the ground making the grass on the ground to wake up....

“Hima wake up or else you will be late for your school on first day”.

Hima(fl)- Mamma please let me sleep for 5 more minutes.....

Hima mom- No, get up fast or else you will be late for school.

Hima woke up and gets ready for school. And went to have breakfast.

Hima father- Good Morning sweetheart!

Hima- Good Morning pappa!!! (Goes and hugs her father)

Hima father- Okay baby have your breakfast fastly, and don't fight with anyone in the school.

Hima(fl)- Okay pappa. (After breakfast) I am going to school. Bye mamma, bye pappa....

Hima father- Bye sweetie, take care....

Hima met her friend Arya on the way to school and they both went to school together.

At school.... As it is first day of school, everyone are chatting with each other. They are discussing how they spent their holidays. Suddenly teacher came to the class by making the sound. Then students stopped their talking and looked at teacher.

Teacher- Students as you are in last year now, we are going to divide all the students from last year into sections based on their grades and all subject teacher's opinions.

All students- We all know this from long, but we don't want to be separated from our friends.

Hima(fl)- Arya will you forget me after going to another section
(puppy eyes)

Arya (fl bff)- (Hit on her head with the papers in her hand) Don't act like a fool, you are not going to another country. It's just another class in same school. So, we can always meet in break time.

Hima(fl)- Okay then promise me that you will meet me in break time otherwise I won't forgive you...

Arya (fl bff)- Okay my lady...(Laughing)

Hima always score top in the class. She usually comes top 3 whereas Arya studies are average.

Teacher- All of you keep quiet. There are no classes today. You all have to check your respective class on notice board and go to those classes.

They all went to check their classes. As they thought Hima is in the top section and Arya is in the next top section.

All the students went to their respected allotted classes.

Though Hima is missing Arya, she is okay cause she speaks with all the students in the class normally.

She went and sat on the chair from last to second around the corner.

Then one person came and sat in the last row behind Hima. It is non-other our Arjun.

Hima(fl)- It is a boring day. Let's meet Arya as there are no classes going on.

Hima didn't notice Arjun. Same goes with Arjun.

After break, all the students go to their classes.

Hima going to sit in her place but saw Arjun sitting behind her.

Hima(fl)- (To Arjun) Hii... (Waving her hand)

Arjun(ml)- Hello...

They both know each other because they used to travel in same bus before to reach school.

They both exchanged a few words.

After school they both went to their respective homes.

Next day at school...

All the students are talking to each other.

Then Teacher (Miss Aparna) entered the class

All students- (stands) Good Morning miss

Miss Aparna- Good Morning all of you, sit down.

Miss Aparna- Okay let's start the class...

After bell rings....

Miss Aparna- Okay students we will continue the class tomorrow.

Then Shiva and Jay entered the class

Shiva (ml bff)- Arjun come let's go to playground.

Joy (ml bff)- Yes yes please come.

Arjun(ml)- Okay let's go.

At the same time Arya came to meet Hima

Shiva (ml bff)- Hey Arya, why are you in this class?

Arya (fl bff)- Oh that I came to meet Hima.

Arya (fl bff)- By the way where are you guys going?

Joy (ml bff) - We are going to playground. Will you guys also join us?

Arya (fl bff)- No you carry on. We'll catch up some other time.

Shiva (ml bff)- Okay then see you guys' bye....

Arya (fl bff)- Bye

Both Hima and Arjun didn't talk anything and just exchanged their looks

Then the boys left the class

Hima(fl)- Hey! How do you know them.

Arya (fl bff)- We three are from same class.

Arya (fl bff)- Let's go to canteen.

Hima(fl)- Okay madam!!!

Later in the class...

Miss Aparna- Students today we are going to decide the class monitor. Based on the marks of previous test, class monitor will be decided.

Miss Aparna- Last time Hima and Arjun scored top marks. So, they both will be your class monitors. Does anyone have any objection?

All students- No!!!

Miss Aparna- Okay then. Let's start the class...

After class...

Hima(fl)- (To Arjun) We both should go and collect our assignment from miss.

Arjun(ml)- Okay let's go.

In the corridor...

Hima(fl)- Arjun ...

Arjun(ml) – Huh (with shock expression)

Hima(fl)- What happened?

Arjun(ml) - No this is the first time you called me with my name, so I am bit surprised.

Hima(fl)- Oh that usually I won't talk with others

Arjun(ml) – Okay. Now tell me what you are going to say.

Hima(fl)- That how will you come to school daily? (In low voice and awkwardly)

Arjun(ml) - Why? (Asked with a question mark face)

Hima(fl)- That we both meet met in bus sometimes but as you know it is difficult to take bus daily. So, I am asking you.

Arjun(ml) - Oh!!! Actually, I am coming by walk daily.

Hima(fl)- What you will walk daily to school!!! (Again, shock expression)

Arjun(ml)- Yes, do you have any problem...

Hima(fl)- No, why will I have any problem (Awkward smile)

Hima(fl)- (in mind) Actually I want to ask you if I can come with you daily

Arjun(ml)- Okay

After school... Hima is going to home alone. And Arjun saw her from distance.

Shiva (ml bff)- Hey isn't that Hima

Joy (ml bff)- Yes, but why is she going alone

Shiva (ml bff)- How come I know man

Arjun(ml)- Okay guys let's meet tomorrow. Bye.

Shiva (ml bff) and **Joy (ml bff)**- Bye.

They all went in their respective directions to home.

“Why are going alone” A voice came from behind which startled Hima. When she looked back, she saw Arjun

Hima(fl)- Man you startled me. (After a minute) I am going to home.

Arjun(ml)- Are you going by feet?

Hima(fl)- Yes. Actually, when you said you will go by walk, I thought I will also go by walk once and experience how it will be.

Arjun(ml)- So how is it

Hima(fl)- It's pretty nice you know. And from today onwards I will also go by feet only.

Arjun(ml)- Then we both can go together.

Hima(fl)- Really!!!

Arjun(ml)- (nodded)

Hima(fl)- Thank you (With a bright smile and happy eyes)

Arjun(ml)- (Feeling shy) Okay let's go now

Arjun(ml)- (In mind) Hey why are feeling shy only for a smile dude

They both reached at Arjun home first...

Arjun(ml)- Okay I'll go first. Let's meet tomorrow. Bye (He turned to leave)

Hima(fl)- Arjun...

Arjun(ml)- (Turned towards Hima) What (in gentle tone)

Hima(fl)- That we don't have each number. Don't take it wrong it's just we both are class monitors right so (trying to explain)

Suddenly Arjun came towards her and showed her QR

Arjun(ml)- Scan this and add in WeChat

Hima(fl)- (Hurriedly) okay.

After scanning...

Hima(fl)- Okay see you tomorrow bye (Smiled)

Arjun(ml)- Okay (smiled back)

By seeing that smile Hima heart started to beat fast. She turned back and started to run.

Arjun chuckled and went back to his home.

Hima entered her home with red tomato face full of blushing

Hima mom- (saw Hima entering) Baby why is your face red, do you have fever, let me check, come sit here.

They both sat on sofa

Hima(fl)- Mom I am completely alright. I don't have fever.

Hima mom- Then why is your face red?

Hima(fl)- That today I came by feet, so I am little exhausted.

Bye saying that she ran into her room.

Hima mom- (in mind) why this child is behaving weird today

Hima did fresh up and lay down on her bed

Suddenly Arjun smiling face came into her mind.

Hima(fl)- (To herself) stop thinking about him Hima. Why are behaving so weird today.

At Arjun's side...

Arjun(ml)- (sitting on chair beside window) Her smiling face is so cute. Don't know why but all my thoughts are filled about her (in mind).

By thinking like that they both feel asleep

Next day Arjun is waiting for Hima in front of his house. He messaged Hima that he is waiting for her. Hima hurriedly came out of her house by checking his message.

Arjun saw Hima running towards him.

Arjun(ml)- Hey slow down! Why are running like that. Come on drink some water.

He gave her his water bottle.

Hima took the bottle and drank some water.

Arjun(ml)- Shall we go now?

Hima nodded her head and they both reached school

In class... They both entered the class at same time.

By seeing them students started to gossip.

They both didn't take them seriously and went to their place and later the class started.

On the other side...

Joy and Shiva sit beside each other whereas Arya sits in front of them. And these three became good friends.

Shiva (ml bff)- Guys let's go to canteen...

Joy (ml bff)- Okay we will bring Arjun with us

Arya (fl bff)- And I will ask Hima to join us.

Shiva (ml bff)- Okay...

They went to Arjun and Hima

Arya (fl bff)- Hima come let's to canteen.

Joy (ml bff)- Buddy come let's go to canteen.

Arjun(ml) and **Hima(fl)**- No (At a time)

Shiva (ml bff)- Why these both are behaving like this (whispering to Joy).

Joy (ml bff)- Even I don't know (whispering to shiva)

Shiva (ml bff)- Anyway we are not listening to your excuses now.

He dragged Arjun with him.

Arya also left there by grabbing Hima's hand.

In canteen, they talked few things and soon they all became good friends.

After school.... Arjun is waiting for Hima at gate as Hima went to meet Arya

Shiva (ml bff)- Hey! What are you doing here (to Arjun)

Arjun(ml)- I am waiting for Hima

Joy (ml bff) and **Shiva (ml bff)**- (Shocked) What (at same time)

Arjun(ml)- Don't think too much we both live in the same area and we are going to home together.

Shiva (ml bff)- At last our iceberg is melting (fake tears)

Joy (ml bff)- Yes bro (to Shiva) (fake tears)

Arjun(ml)- (here goes the drama again) (in mind)

Then Hima came with Arya

Hima(fl)- (To Arjun) Shall we go now

Arjun(ml)- (nodded)

They both left from there...

Shiva (ml bff)- (To Arya) Aren't you shocked by seeing them together?

Arya (fl bff)- Do you think Hima will hide anything from me?

By saying that she left from there.

Both Shiva and Joy looked at each other with sarcastic smile and went to their respective homes.

Like these few days passed...

All five people getting along with each other well.

And during this time Joy started to develop feelings towards Arya. Arya also likes Joy but both didn't express their feelings cause they both fear to loss their friendship.

After few day... In class...

Miss Aparna- Students do well in these exams and based on the results your seating positions will be changed

Arjun and Hima both looked at each other cause they both don't want to be separated from each other.

They know that they will get good grades and sit near to each other but in one corner of their heart they both started to fear.

Exams are completed and all are waiting for results.

And the decision day came. One boy came and pasted their seating positions paper on the wall.

All the students rushed towards the paper to check their seating positions. Some are happy with that and some aren't.

Next both Arjun and Hima went to check the paper. They both are shocked and happy at the same moment cause now they are sitting beside each other.

Hima(fl)- (Facing Arjun) Now we can sit beside each other (Happy face)

Arjun(ml)- Yes (Happy but not shown)

They went back to their places. But now they are sitting beside each other

Later they both became very close to each other. Now they are even sharing everything with each other

Even Shiva and Joy are surprised to see Arjun close to someone other than them. Of course they are jealous but they are happy to see Arjun smiling like that

One fine day....

All students are shouting in the class. Suddenly Miss Aparna entered the class.

Miss Aparna- You all are making more noise day by day. Wait I will change your places now.

Then she started to change to few people seats. Unfortunately, she also changed our Arjun and Hima seats because they used to talk very much in the class

Now both are separated from each other. Not very far but this small distance is like hell to both of the them.

They tried to talk to Miss Aparna but it is of no use

Like these few days passed. Though they can see each other from their places but they are feeling like there is more than light year distance between them and it is killing them.

One week later... All students requested to Miss Aparna to let them sit in their previous places and luckily Miss Aparna also accepted to this. Now all the students are very happy especially our Arjun and Hima

As days passed, final exams are approaching them, so all are preparing very seriously. In this time both Arjun and Hima are falling for each other deeply, both no one is ready to express their feelings

One fine day... Hima, Arjun, Shiva and Joy are sitting in canteen

Joy (ml bff)- (to Hima) Where is Arya?

Hima(fl)- I don't know, even I didn't see her from morning.

Joy hurriedly left from there.

Shiva (ml bff)- What happened to him

Arjun(ml)- Only he knows the answer for it, let's ask him later.

Joy searched for Arya in class but she is no there. He searched whole school but couldn't find her.

Slowly he started to panic. Many thoughts are running in his mind. He sat under the tree in the ground. Without his knowledge tears started to flow from his eyes.

Then a shadow fall on him. When he lifted his head, he found Arya standing in front of him. He gets up and started to scold her

Joy (ml bff)- Are you mad? Where were you gone? Do you know how much I have feared? (In angry tone while holding Arya shoulders)

Arya (fl bff)- Relax man, why are you shouting?

Joy suddenly hugged Arya

Joy (ml bff)- Please don't ever leave me. I can't leave without you.

Arya (fl bff)- (Shocked) What... are... you talking?

She is not at all understanding what's going there

Joy (ml bff)- (Releasing her from hug) I like you, Arya!!! I like you very much please don't leave me.

Arya don't know what to speak. She doesn't know that Joy also likes her. She is on the ninth cloud now.

Joy (ml bff)- I know that you don't like me but no problem I will wait for your answer.

Saying that he turned to leave. But he startled and stopped there for a moment cause Arya hugged him from back

Arya (fl bff)- who said that I didn't like you. I like you, Joy. I like you so much

Joy standing like a statue there without moving and with shocking expression

Arya (fl bff)- Hey what happened (waving her hand in front of Joy face)

Joy (ml bff)- (came to conscious) Am I dreaming!!!

Arya flick Joy's head

Joy (ml bff)- (shouting) It's hurting.

Arya (fl bff)- See you can feel the pain, it's not a dream you idiot.

Joy (ml bff)- (shouting happily) Yes, it's not a dream. So, you really like me.

Arya (fl bff)- Yes idiot I really like you.

Joy (ml bff)- (Hugging Arya tightly) I like you so much Arya. Please don't leave me.

Arya (fl bff)- I won't leave you but you leave me now, you are hugging me very tightly.

Joy (ml bff)- (released her from hug) Okay come let's go to class now.

Arya (fl bff)- (smiling) Okay

Joy (ml bff)- (whispering in Arya ears) Don't smile cutely or else I can't control me from kissing you.

Arya (fl bff)- (blushing) pervert (low voice)

Joy (ml bff)- okay come let's go now (holding Arya's hand)

They went their friends and said about them. All are happy about them.

Hima(fl)- (hugging Arya happily) I am so happy for you

Arya (fl bff)- (hugging Hima back) Thank you

Hima(fl)- (To Joy) Don't ever break her heart or else I will break all the bones in your body (seriously)

Joy (ml bff)- (gulp) Okay cool down, I won't ever hurt her.

Hima(fl)- Hmm, that's better

Joy (ml bff) and **Shiva (ml bff)**- (whispering to each other) She is very dangerous

Arjun(ml)- (in mind) she is very cute. I feel like pinching her cheeks.

They happily chatted with each other.

Days are passed and finally their exams came.

Everyone is very nervous except Arjun because he never feels nervous for anything

Shiva (ml bff)- Guys I feel like fainting from nervous.

Arjun(ml)- Why you exaggerating it (hitting his head).

Shiva (ml bff)- You won't feel nervous, that means we also shouldn't feel like that right!

Joy (ml bff)- He is correct. And actually it's human's nature to feel nervous so obviously he won't feel nervous.

Joy, Hima, Shiva and Arya started to laugh.

Arjun gave a death glare towards them and all stopped laughing.

Hima(fl)- Okay come let's go inside guys exams is about to start.

All went to write exams...

After exams they hang out a little and went to their homes.

Next few days they all spent their holidays at home by relaxing

Arya created one group in WeChat for four members except Hima.

Shiva (ml bff)- So what is the plan guys (he messaged in group chat)

Exactly after one week it's Hima birthday, so all wanted to give her a surprise.

They all done their works according to Arya's plan.

After one week, it's our Hima birthday. But no one from these four wished her. Hima felt very sad thinking that all forgot about her birthday.

It's evening till that time no one wished her. Hima kept checking on her phone but she didn't get any message from them.

After one hour, she got phone from an unknown number saying that they found Arjun unconscious near XX place.

By hearing that her heart stopped to beat for a second. She immediately ran to that place by holding her chest.

All the way she keeps on praying God to keep him safe. Then she realised how much important he is to her.

As soon as she reaches there is no one present there. It's totally dark and she couldn't see anything. Her fear increased more.

Then suddenly lights were on and four people came in front of her singing birthday song for her.

She felt very happy by seeing Arjun alright. She immediately ran towards him, hugged him and started crying. Arjun patted her head

After sometime she released herself from hug and looked at him

Arjun(ml)- (wiping Hima's tears) Don't cry now. See I am completely alright. So don't.... (He is going to complete his sentence)

Hima(fl)- I like you

All are shocked by listening this except Arya because she already observed their behaviour. So came up with this plan today.

Hima(fl)- I really like you, Arjun. These days I am in confusion about my feelings towards you but today when I heard that you were unconscious, my heart stop for a second. Then I realised that I like you

Hima(fl)- Whether you like me or not but I will always like you and no one can change my feelings towards you.

Arjun took a pause and hugged her tightly

Arjun(ml)- Of course I like you silly. I like you so much....

Hima hugged him back. And after few minutes they break their hug.

Arjun(ml)- Come let's cut cake now.

All are happy and they enjoyed that night together.

After party Arjun hugged Hima and Joy hugged Arya

Shiva (ml bff)- Guys please show some mercy on this single person.

Arjun(ml), Hima(fl), Arya (fl bff) and **Joy (ml bff)**- Then find yourself a girlfriend (at a time)

Shiva (ml bff)- Thanks for your advice (sarcastically). I am leaving bye. (He left from there)

They also said goodbye to each other and went from there.

On the way....

Arjun(ml)- (holding Hima's hand) you know I am so happy today (looking at Hima)

Hima(fl)- Mee too.

Hima(fl)- Don't try to leave me. Even if you go to space by leaving me, I will come to there also to bring you back (cute face)

Arjun(ml)- (chuckling) Okay madam. I won't leave you. Now come let's go to home.

Like that they confessed their feelings to others.

They all got seat in the same university. They laughed, cried, hanged out and shared their feelings with each other. They enjoyed their university life to the fullest as they have no regrets for meeting each other.

Later after 5 years.....

Hima became a fashion designer, Arjun, Joy and Shiva started a games company together whereas Arya became a doctor.

They all bought one house and started to live there. But our Shiva still remained as single.

And now it's the wedding day of both the couples Arjun-Hima and Joy-Arya

They happily completed their ceremony with the blessings of their parents, friends and relatives.

They thanked each other for coming into their lives and making it more colourful and also for the pure love they have towards each other.

After 2 years.... Hima given birth to a baby boy whereas Arya given birth to a baby girl.

Now our professional single Shiva also found the love of his life and married her with the help of their families.

All the three couples started to live together in the house they bought with children happily.....

In this fake world it is very rare to find pure and real love. By any chance if you found it then try hard not to lose it.

I hope all of you like this story. Forgive me if there are any mistakes. And thank you for your love.....

Chinni...
